FROM THE PRINCIPAL

I was out of the school on Wednesday and it was reassuring to feel confident that all would be well in my absence. Sure enough, I returned Thursday to hear how well all students worked and how great their behaviour was. You would expect that this sort of confidence would be commonplace in all schools but this is not necessarily so. When talking with some of my colleagues in other schools, I often reflect upon how lucky I am to work in such a great environment. We have reliable, conscientious staff and students capable of maintaining high levels of behaviour and application.

CONNECTED CLASSROOM TRAINING

On Monday and Tuesday Robin and I will be out of the school attending the 'Connected Classroom' training at Nimbin Central School. We will be learning how to use the new video-conferencing and computer equipment in the infants room. We leave the school knowing that the children will continue working productively. Bianca Urbina will take the infants class and the primary class will be taught by Carol Shipard on Monday and Joel Stewart on Tuesday.

ARTSMART WORKSHOPS

Selected students from Years 5 and 6 will be participating in the Art Smart workshops with Jamie Hoile at Clunes Public School. Isabella, Laquicia, Hugh, Oliver and Paris will gain much from Jamie's expertise.

THANK YOU MRS WHEELER

Our new sick bay has a sick new blanket knitted by our talented Mrs Wheeler. Thank you Robin for your kind donation.

LANTERN WORKSHOP

Don't forget the lantern making workshops for all students are on Thursday 3rd June. All interested students should return their notes and \$11 by the end of next week. It would be fun to get a contingent from the school to participate in the Lismore Lantern Parade.
