FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

This section is a calendar of events of the next few weeks:

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

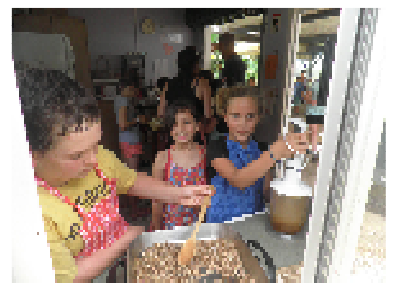

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Description: the Nargun

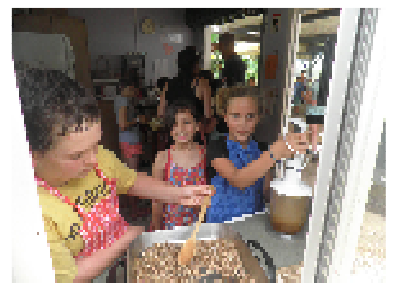

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

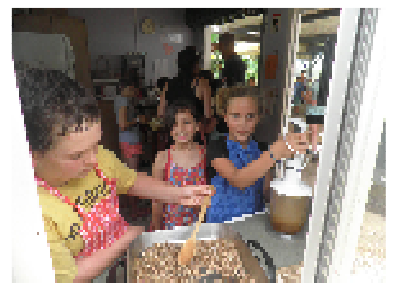

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

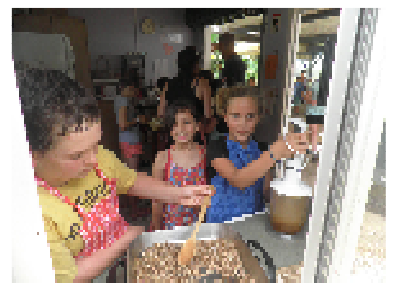

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

This section is a calendar of events of the next few weeks:

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

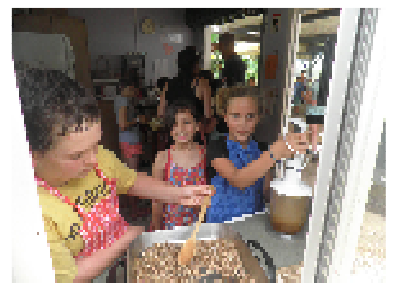

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

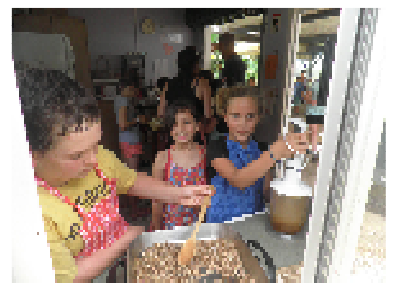

Description: the Nargun

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

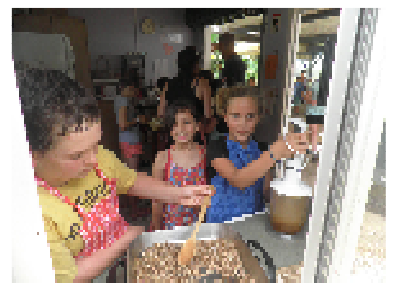

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

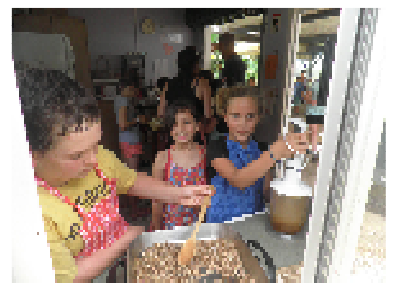

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

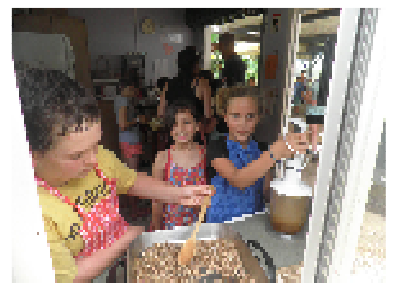

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

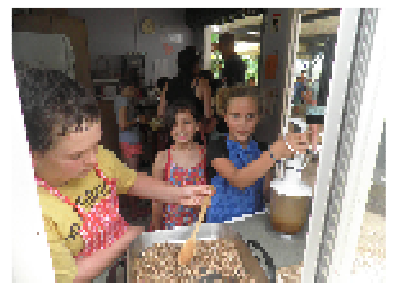

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

What's on at the Channon School?

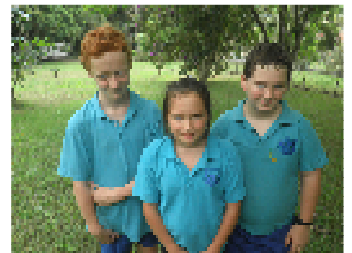

This section is a calendar of events of the next few weeks:

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

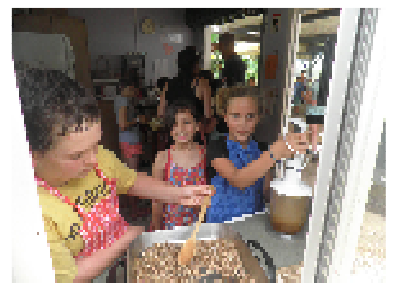

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

GREEN EGGS AND HAM

The response to the Green Eggs and Ham Dinner has been very positive. I congratulate Heather and her helpers for undertaking such an ambitious program. Heather, her band of volunteers, teachers and all our students have worked wonderfully well to prepare tonight's dinner. I look forward to seeing you all this evening and enjoying the fine cuisine.

HOMEWORK

Parents are reminded that students from Years 1 to 6 should be taking homework home each Monday. The unit of work should be completed and returned to school by Friday for marking. Also, all children should be reading (or have someone read to them) regularly while at home. This is a key component of effective literacy learning and should be enjoyable and rewarding for children.

SWIMMING CARNIVAL RESULTS

Nina Collins was named joint Junior Girl Champion. This is an outstanding achievement; great work Nina! Several other students won ribbons and the following children qualified for the zone carnival: Ruby Sharp, Laquicia Woolbank, Nina Gollins, Gabrielle Cawley, Oliver Collins and Mika Gerrish. which will be at the Lismore Pool next Thursday 24th February. We wish these children luck in their events.

Gemma from Modanville and Nina with their Junior Champions shield

GUITAR GROUP

Guitar Group will meet Wednesday afternoons from 3.15pm. Senior students are keen to help beginners, so if there are any children in Years 2, 3 and 4 who would like to commence, they are encouraged to join us.

THANKYOU

Thank you to Angela for cleaning the fish tank last week. It looks great!

This section is a calendar of events of the next few weeks:

21.02.11	Book Club Due Active After Schools
24.02.11	Zone Swimming Carnival
25.02.11	Assembly Active After Schools

LEADERS REPORT

On Monday we had our PSSA swimming carnival. Nina Collins got junior girls champion and the P5 relay came first. We are cooking for Green Eggs and Ham today and the welcome dinner tonight. The new kindergartens are settling in well. The assembly has been postponed because of green eggs and ham.

Becky's feelings: Betrayed by Tom

He promised that he had never been engaged he betrayed me, that's just the meanest thing you can do. He's broken my heart into one million and one pieces. I am devastated, I just can't believe that he's done that. I don't think I can forgive him. **Luka**

Becky's feelings

My heart is broken and I was only up to the good part/bit. I feel so sad I can hardly breathe. **Mathew**

SIMON'S FIRST IMPRESSIONS OF THE NARGUN

My heart stood still as a movement in the mountains proceeded. I couldn't believe my eyes, the mountain was moving. A cloud covered the moon and put a cold feeling in the air. I listened hard. It wasn't the sound of a quiet heart beat or blood running through my veins, it was the sound of earth moving. A hand reached out to grab me but I slipped away just in time. I ran back to the house and tried to convince myself that it was just my imagination. **Ella**

Description: The Swamp

I watch as the lily pads flow in the current. I slide my shoes off and plonk my feet into the water, the cold chill wraps around my ankles sending a shiver through my veins.

Trees watch over me like eagles. The grass sways in the wind. The water spiders glide on top of the water. I step closer to the creatures sending them the opposite way like a cat chasing a mouse. **Nina**

Description: The Swamp

Simon slides off his shoes and feels the cool water tickle his feet. A dragonfly flies over the water like a silent aeroplane flying across the sky. The trees stand like soldiers guarding the secrets of the swamp. Magic flies over the clear blue water, not to be noticed by the little boy who is stepping into the water of the swamp. Water spiders glide through the water like the boats in the city. Lilly pads sit still, smiling.

Paris

Description: the Nargun

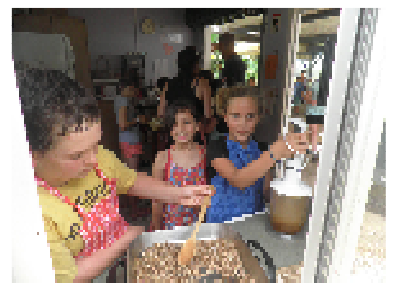

I stop for a breath. My heart pounds in my ears. I look for the moon to see if it is back, but something is blocking it; something not cloud nor mountain. It is some sort of moving rock. I am paralysed with fear. It roars. I run for my life.

Hugh

Tom: Bored in Sunday School

This is so terribly boring and my legs are about to fall over. All I can hear is the preacher's voice fading in to the background. I am so bored I feel like I'm falling asleep. **Evee**

FROM THE PRINCIPAL

I would like to acknowledge the effort and behaviour of the students at The Channon Public School. Staff have been speaking with students about appropriate behaviour at school, and the student response has been exceptional. Our senior students are proving themselves outstanding leaders and our new Kindergarten students are making a smooth transition into primary schooling.

The attendance of the 8 year olds and above at Monday's Dunoon District PSSA Swimming Carnival was outstanding. Nearly all eligible students attended and supported the school. Children wore their school shirts and hats and were a positive presence at the pool – irrespective of their swimming ability. Participation and behaviour were excellent throughout the day. Thank you to the parents who provided transport.

Today senior students organized a mufti day to support the victims of the QLD floods. \$83.30 was raised by the children. Well done.

YEAR 6 FUNDRAISING

A group of Year 6 students busked to raise money at Sunday's markets. The children are raising money for the Halogen Foundation's Young Leaders Day to be held in Brisbane on Friday 11th March. They made \$73.50 playing guitars and singing which was very successful. Rena, who was with the children, reported that the children did very well. After being a bit overwhelmed, they settled into their music and improved as the session went on. Well done.

Also, Nina made and sold 'scrunchies' to support the Year 6 students. 'Scrunchy' sales made \$35.10 which was great. Even more pleasing is the fact that Nina is only in Year 5 and will not necessarily benefit directly from the fundraising; what a fine example of school citizenship, Nina.

STAFF CHANGES

This week we farewelled Mr Stewart as he has finished his Tuesday teaching program. From next Tuesday Rena Woolbank will be teaching Music and PE to both the senior and junior classes. We thank Joel for his great work and welcome Rena onto the teaching staff.

ACTIVE AFTER SCHOOLS

Active After Schools has commenced. The program runs on Monday and Friday afternoons. Please ensure your child's note has been returned so they may participate.
