## FROM MRS CANTRELL

The Kindergarten and Year 1's are settling well into the routine, (and not so routine) events of the school day. We are currently learning about time, how it goes quickly and sometimes slowly, and how we use a clock. Next week we'll be learning about patterns. It would be great if you could point out patterns in the environment, such as butterfly wings etc.

Also, we have some very little people in the Kindy class and sometimes accidents happen, If you think your child needs this, could you please send in a change of clothes.

## LEADERS REPORT

This week has been a brilliant one. We have been involved in Active After Schools, the Swimming carnival and extremely fun egg throwing experiments and loads more. We have Art Smart on Tuesday to Thursday for selected students. Buddhism starts next Monday. We wish everyone a happy Valentine's day!

Jarrah, Ivy, Ruby, Abby and Zachie

## FROM THE GARDEN

K/1 and Mrs Cantrell planted beetroots, capsicums, lobelias and did a science experiment comparing carrot seedling to carrot seeds for successful planting. We sang to the carrots in hope that they grow and always welcome Friday volunteers. Please contact Tamin on 66886551 if you can spare an hour in the week to garden.

## MEDICARE OFFICE

We have been advised that the Medicare office will be moving from the Lismore Square to 34 Conway Street on Monday 24<sup>th</sup> February.
