Special Visitors from Japan

This week our students and staff welcomed two special visitors from Japan. Chako and her grandson, Keito visited our beautiful school and shared stories and experiences of their country with each of our 3 classes.

Students listened to Keito talk about his school, sporting activities, study 'cram' and an excursion that he enjoyed to Nikko. Chako sang songs with the students, including the Koi nobori song from last year's Lismore PAF, and demonstrated how to make a paper crane in the Kindergarten – Year 1 classroom.

Thank you to Lily and Nickie for bringing Chako and Keito to our school it has enriched our learning environment and we feel very privileged to have such special visitors!
