From the Principal

On Tuesday, I took our Year 5/6 students to the 'Smart Futures Careers Market Day' at Nimbin Central School. It was a very interesting day. First we observed a horse training session, the purpose of which was mainly to show how it's possible to make a career out of doing something you love. We also listened to a variety of speakers, including Mayor Jenny Dowell, who discussed the sometimes circuitous route that leads us to where we are, and the value of recognising opportunities and listening to our inner selves. There were representatives from a range of occupations such as optometrists, builders, plasterers, journalists, the army and many more.

On Thursday Miss Rena took the Aladdin performers down to The Channon Hall to rehearse for the Aladdin production. General Admission Tickets will be available from Lismore City Hall Box Office from June 1. Prices at the time of writing this are \$18 Adults and \$12 Concession/Children. The school is on a waiting list for tickets to a matinee performance as the first lot of tickets sold out almost immediately!!

On Friday, The Channon Public School hosted a Stage 1 Interest Day, while the Stage 2 and 3 students went to Modanville and Dunoon. A great day was had by all! I think we all deserve a relaxing weekend, don't you?

We wish both of them all the best on the day.
